*Calvin Wynter has been presenting shows at the Fringe since 2004. Starting with **Richard Pryor Award-winner, Ahmed Ahmed**, continuing with **Rain Pryor, Paul Provenza** and **Rick Shapiro**, his eye for talent has been unerring.*

*Last year, he created the Green Room's fabled VIP Lounge, which earned him a spot on **The List's Best of edFringe 2007** roster of greatness. That established mix of relaxed lounging among the stars and fine entertainment will be continued and expanded upon this year at Calvin Wynter's VIP Lounge.*

*The best way to communicate the level of comedy and recreation that will be found in '08 is to list many of the luminaries who have been part of Wynter's previous late night shows in Edinburgh and at his venue in **New York** (plus excursions to **Melbourne** and **Montreal**).*
